

Conyer Cruising Club

International Certificate of Competence

(Pleasure Craft)

Conyer Cruising Club is an RYA approved test centre for the ICC qualification in both sailing and motor boats including where required, the supplementary inland waterways (CEVNI) certificate.

Testing for the ICC and CEVNI certificates is available to both CCC members and non-members. A nominal test fee is payable.

The issue of the certificate is free to RYA personal members but an administration fee is charged by the RYA to non-members.

Various RYA and other national authority certificates may be acceptable for direct issue of an ICC in lieu of passing the test.

For further details including the various national certification requirements and the test syllabus or to arrange a test, please contact me:
